Benefiting R4Creating and Mandy's Farm

Montezuma Ball began 100 years ago, starting in 1902 and the tradition continued until 1968 when the last historic Ball was held at the Alvarado Hotel in Albuquerque. In 2000, Heritage Hotels and Resorts restored this tradition to inaugurate its new Alvarado Ballroom at Hotel Albuquerque. Since then, Montezuma Ball has raised millions of dollars for deserving nonprofits across New Mexico. The event includes cocktails, gourmet dinner, an entertaining and inspiring program, and after-party dancing.
